

Never Ending Song Of Love

Delaney & Bonnie & Friends

I've got a, never ending love for you
From now on, that's all I want to do
From the first, time we met, I knew
I'd have a never ending love for you

I've got a, never ending love, for you
From now on, that's all I want to do
From the first, time we met I knew
I'd have a never ending love for you

***After all this time of being alone
We can love, one another
Feel for each other, from now on, ...
It's so good, I can, hardly stand it***

Never ending love for you
From now on, that's all I want to do
From the first, time we met, I knew
I'd sing my never ending song of love for you

La la la

***After all this time of being alone
We can love, one another
Feel for each other, from now on, ...
It's so good, I can, hardly stand it***

Never ending love for you
From now on, that's all I want to do
From the first, time we met I knew
I'd sing my never ending song of love for you

I've got a never ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd have a never ending love for you
